The land is 5.000m<sup>2</sup> in total and part of it has been fenced. From the terrace you have access to a beautiful infinity pool. On the lower floor you have a very large garage. Access to the property is via an electric gate. The villa has running water, electricity, pre-installation for air conditioning (hot/cold) throughout the house and electric shutters. Two villas have been built and are currently for sale. Both have great views of the surroundings. If you are looking for a quiet place, with great views, look no further.
