We are delighted to present this beautifully positioned first-floor apartment, offering two bedrooms and one bathroom, with some of the finest views of the surrounding mountains and countryside across the entire urbanisation.

Ideally located overlooking the landscaped gardens and close to the children's play area, the apartment is also within easy walking distance of the bars, restaurant, shop, beauty salon, and communal swimming pool. This excellent location, combined with the property's practical layout, makes it an ideal lock-up-and-leave holiday home, investment property, or permanent residence.

The property features an open terrace at the front, providing a wonderful outdoor seating area and offering the potential to be enclosed and converted into additional living space if desired.

Entering from the terrace, you are welcomed into a spacious and well-proportioned living and dining area. Adjacent to the lounge are two generous double bedrooms, both benefiting from built-in double wardrobes, along with the family bathroom.

The dining area leads through to the modern fitted kitchen and separate utility room. From the utility room, stairs lead up to the private rooftop solarium, where you can truly appreciate the breathtaking panoramic views of the mountains and surrounding countryside. This is the perfect space for relaxing, entertaining, or simply enjoying the stunning scenery.

The apartment is being sold fully furnished, allowing the new owners to move straight in and start enjoying everything this wonderful property and location have to offer.
