✓ Electricidad de la red

✓ Agua de la red

✓ Calefacción por pellets

We are pleased to present this huge house with endless possibilities. This house is in desperate need of updating, if you have a vision of your perfect property in a lovely rural setting, surrounded by nature, this could be the property for you.

Located 10km from Pinoso and 17km from Yecla, surrounded by almond, olive and pine trees, this really is a nature lovers paradise. The house would make a spectacular family home, it could be divided up to accommodate additional family members, or possibly used as a business i.e. a wedding venue or a B&B, it is essential to check with the town hall regarding licensing.

As the house is set up at the moment it has five bedrooms downstairs, three bedrooms upstairs, the bathroom is outside.

The property has the benefit of electricity, irrigation water and also has a pellet burner.

There are no neighbours so peace and quiet is guaranteed.

If you are looking for a project and have plenty of vision, this house could be perfect for you.
